

HSE&Q Policy

SENERGY SERVICES is committed to a safe and healthy workplace and environment. All aspects of our business are managed in a safe and environmentally responsible manner in accordance with the principles set forth in this policy. We believe that these commitments benefit our interested parties now and for the future, while improving the (IMS) integrated Management System.

All levels of SENERGY SERVICES management are committed to, and accountable for, implementing, maintaining, measuring, and improving the IMS programs of the Company, this is by committing to the following:

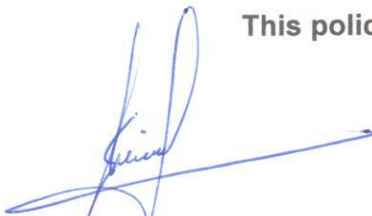

- Safety is the overriding value of all aspects of our business. We will continually provide a safe, secure and healthy environment for our interested parties.
- Emphasis on Quality & Safe work behaviour, practices, design and systems.
- Maintain interested parties satisfaction through meeting or exceeding their expectations.
- Promote a HSE&Q culture that encourages responsible behaviour by clearly defining the responsibilities & performance objectives of all employees.
- Actively monitor, audit and review to improve IMS.
- Maintain a reporting system that allows identification of risks to IMS.
- Work with governments and organizations in creating responsible laws, regulations and standards to safeguard the workplace, environment and community.
- Design a plan to be fully ready to respond to any HSE emergency.
- We strive to prevent or reduce the generation of waste at the source. Our impact on the environment is minimized through good engineering practices.

Self-assessments of our performance in these areas will be routinely conducted to ensure suitability. We will measure performance and hold all employees accountable through performance enhancement processes. Where we operate we shall comply with listed commitments, SENERGY SERVICES standards and local regulations.

STOP WORK AUTHORITY

As an employee of Senergy Services you are responsible & authorized to stop any unsafe work that does not comply with Senergy Services Health Safety & Environment Management System and there will be no implications to you.

This policy applies to Senergy Services and all Subsidiaries
